'FOR THE LOVE OF BOOKS'

The 24th Kochi International Book Festival (KIBF) will be held from 1st to 10th April 2022 at Ernakulathappan Grounds, Kochi.

Since the pandemic hit in 2020, we had to reimagine how we operate and were providing virtual events. Now, the time has come to move on to live, physical events, applying the highest standards of health precautions.

One of India's premier book festivals and the largest in Kerala, KIBF connects readers of diverse ages and backgrounds with local, national and international authors, publishers, and booksellers.

The Kochi Literature Festival 2022, to be held simultaneously, at the Book festival venue, will feature debates on current issues, presenting the literary greats alongside debut writers, hosting artists, politicians, historians, journalists, poets, scientists and a vibrant program of cultural events for our younger audiences.

For exhibitors, KIBF is the perfect platform to offer their products and services; for interaction with their target audience and building brand awareness.

As a non-profit charitable organisation, established to promote reading and encourage writing, the support from publishers, booksellers, benefactors and patrons helps us champion the best in writing and bring some of the world's greatest books, writers, speakers and thinkers to Kochi.

However big or small your support is, it is incredibly valuable to us.

Let us join together to host Kerala's largest cultural and literary event; the celebration of books, ideas, authors and artists.

Thank You.
